To Whom It May Concern,

It is my pleasure to recommend Katelyn, who I taught in my Language Arts, Science, and Math Methods courses. Katelyn has demonstrated tremendous effort and growth throughout the courses and brought a great energy to class. She has a combination of a positive attitude and the belief that she can always improve that is uncommon in students, but so essential to the learning process. I am confident that she will continue to display the same commitment and diligence in everything she does. I highly recommend Katelyn for the position at your institution.

During her time at the University of Mary, Katelyn has completed a series of practicum experiences. These experiences have allowed Katelyn to implement a series of lessons, work on her classroom management, and receive feedback from a licensed teacher and a university supervisor. Katelyn has taken the feedback and implemented it to enhance her teaching style. She consistently pushes herself to be her best, and often will go above and beyond the expectation.

Katelyn is a trustworthy, reliable, and good-humored student who supports others in and out of the classroom. She was a pleasure to have in class, and her positive attitude and belief in herself, even in the face of difficulty, is an immensely admirable asset. I'm confident that she will continue to demonstrate the same diligence, perseverance, and optimism that she showed myself and her peers. I highly recommend Katelyn for a position at your institution. Please feel free to contact me with any further questions at lrMiller@umary.edu.

Sincerely,

Loni Miller

Elementary Education Program Director

University of Mary
