To Whom It May Concern:

It is my pleasure to provide this letter of reference for Katelyn Baumgartner.

I opened a western store, Country Soule in August of 2013 and got the chance to hire Katelyn part time May of 2014 and got to know her hard working and enthusiastic personality. As I got to know Katelyn I noticed her work ethic was strong and willing to take responsibility of any project or task that I gave her.

I can assure you that Katelyn is a highly competent worker with excellent communication skills when it comes to customer service, self-demanding and with a positive attitude all the time. She analyzes all aspects in the job itself and I don't have to worry about things getting done the way they are suppose to. Katelyn is a very motivated young woman and works really hard for what she wants.

I know Katelyn can achieve anything that she puts her mind to and has the ability to work well with others. I know she has strong academic performances, always working to get straight A's.

I would like to summarize by saying Katelyn is a promising young professional, hard worker and an honest person. I believe in her ability to carry out any responsibility that is handed to her and work hard at it. She is very responsible and takes things very seriously. Therefore, I strongly recommend your consideration for Katelyn Baumgartner.

Sincerely

A handwritten signature in cursive script that reads "Cara Hochgraber".
